

Local Therapeutic Horsemanship Program Seeks Business and Technology Professionals

Do you love helping others, watching positive change happen in people's lives and sharing meaningful stories? If you answered yes to these questions then this skill-based volunteer opportunity is for you!

Courageous Connections brings humans and horses together to empower participants with physical, cognitive and emotional challenges towards achieving their individual goals. In short, we create magic by bringing people from all backgrounds and walks of life together to experience the healing power of horses.

Seeking seasoned and talented volunteers to help build and develop our relatively new nonprofit programs. We are excited to engage a diverse group of volunteers who are passionate about helping others and business development.

Opportunities include: Admin., Marketing, Fundraising, Process Design, Recruiting, Technology, Volunteer Mgt. and more. Help us to leverage and expand the use of tools and applications at our disposal while expanding your own skills in: MS Office, Cognito Forms, Google, Google Ads, Salesforce, WIX, Donorbox & Mailchimp.

Excited and ready to take the next step? Details below and we highly suggest that you visit www.courageous-connections.org so that you understand more about this wonderful organization you are about to be a part of. You can also get to know us via Facebook at www.facebook.com/courageousconnections/

Commitment - Courageous Connections Business Professionals / Skill-based Volunteers

2 hour per week with a minimum 6 month commitment (because we will invest in you and want you to invest in us). We want you to work alongside us to watch your ideas and work come to life.
